OUR VENUE STORY

FRONTAL LOBE WAREHOUSE

WELCOME TO

FRONTAL LOBE WAREHOUSE

Frontal Lobe is Cardiff's multi-purpose live music venue full of unique character suitable for events, shows & private functions.

A completely unique venue in this region, set in a bespoke freerunning warehouse that gives a fully immersive space and an incredible aesthetic incomparable to any other.

Featuring a 7000 square foot event space with a 500 person capacity, full bar facilities and high quality production level, we cater to many functions all year round.

Host to a variety of spectacular events, from large festival warm ups to private events. Whether its a full band lineup, DJs or circus cabaret performances, our space is diverse, captivating and full of possibility.

For more information on booking, venue specs and hire fees, please email contact@flevents.co.uk

KNOW OUR

HISTORY

Frontal Lobe Warehouse was established in a business estate on the outskirts of Cardiff City in 2018. Having previously been a promotion network (est 2015), booking local, national and global artists to play in venues across the city, Frontal Lobe quickly began looking for a venue of its own.

The company found this home in the largest indoor freerunning academy in the UK. Running in harmony with Fluidity Freerun Academy the two businesses set out terms of co-existing in the same premises.

Frontal Lobe Warehouse offers 7000sqft of prime event space, with a gated car park on private land. The site offers producers, agencies and brands masses of creative, flexible and inspiring infrastructure, from a large dance floor (500 cap) to corridors of wooden structures and metal scaffolding. Located just off Newport Road with excellent transport links from the city centre, FLW can be the ultimate blank canvas for conferences, exhibitions, experiential events, concerts and product launches.

OVERVIEW

FRONTAL LOBE WAREHOUSE

VENUE INFORMATION

DIMENSIONS / CAPACITY

Our venue features an impressive 7000 square foot (51 x 18 metres) warehouse arena with a capacity of up to 500 people.

Dimensions of the dancefloor area are 18 x 35 metres including stage area.

PRODUCTION

Frontal Lobe have an in house production - WD Productions Limited.
Due to the nature of the building being used as a freerunning academy as it's main function, all rigging including truss, power distribution and structural scaffolding must be performed in house. Clients are welcome to use external providers for sound & lighting and should specify this when requesting a quotation.

VEHICLE PARKING

Front and rear car parking is available for crew & guests for up to 50 spaces.

LICENSING

The venue currently operates on TEN licensing which covers entertainment, sporting events, live & recorded music, including the provision and sale of alcohol.

Licenses must be requested via FLW in advance from the local licensing authority with a minimum of 30 days notice. Weekend licenses can be extended until 4AM.

PAYMENT

All fees, including those related to suppliers, are payable in full prior to access on site. Upon confirmation, your sales manager will confirm your payment plan, which is usually 50% of venue hire and a signed contract within two weeks, and the remaining 50% one month prior to the event.

Once a signed contract is received, the client is liable for cancellation fees as stipulated in the venue hire agreement.
